

ERC/DEC(00)09 Use of 27.5-29.5 GHz by the Fixed and Fixed Satellite Service has been implemented in 20 administrations.

Archive only

ERD/DEC(00)09 is withdrawn and replaced by EDD/DEC/(05)01

Implementation data shows status as existed by the time of withdrawal 18 March 2005

Country	Implemented	Remarks
Belgium	Yes	Included in the National Frequency Allocation Plan
Croatia	Yes	The future NTFA will contain the relevant provisions regarding the frequency band 27.5-29.5 GHz
Czech Republic	Yes	Annex No. 11/1.2003 to plan of Frequency Spectrum Utilisation
Denmark	Yes	Implementation through reference in the national table of frequency allocations
Estonia	Yes	Implemented through reference in the Estonian Frequency Allocation Plan
Hungary	Yes	National footnote H205 of the National Table of Frequency Allocations, which was published by Government Decree No. 284/2002 (XII.21.) Korm. and entered into force on 1 April 2003
Iceland	Yes	National Table of Frequency Allocation
Italy	Yes	Implemented through a ministerial decree, dated 5 April 2001 and published on the Italian Official Gazette No. 87 dated 13 April 2001, modifying their NFTA
Liechtenstein	Yes	
Luxembourg	Yes	
Malta	Yes	Included in NFAP
Netherlands	Yes	
Norway	Yes	
Poland	Yes	Included in National Table of Frequency Allocations
Russian Federation	Yes	
Slovak Republic	Yes	Included in the National Table of the Frequency Allocations
Slovenia	Yes	Frequency usage plan (Off. Gaz. of SVN, No. 32/2002)
Switzerland	Yes	Implementation by revision of the National Frequency Allocations Plan
Turkey	Yes	
United Kingdom	Yes	National Table includes reference to ERC/DEC/(00)09. No deployment in conditional bands is currently planned, FS channels available for BFWA in accordance with this Decision, but geographical areas have not yet been designated. FSS terminals require some coordination in the UK

Country	Implemented	Remarks
Austria	Yes Partly	measures partly implementing the Decision. Implemented with the national Frequency Utilisation Ordinance. The frequency bands 28.445-28.5 GHz and 29.4525-29.5 GHz are exclusively allocated to the Fixed Service
Sweden	Yes Partly	Awaiting the new revision of this decision

Country	Implemented	Remarks
France	Committed	
Latvia	Committed	Implementation planned by reference in the National Frequency Allocation Table to be revised in second half of 2003 after WRC 2003
Lithuania	Committed	Notwithstanding the formal "not implemented" status of the decision the frequency band 27.5-29.5 GHz is used/planned to use in accordance with the scheme designated in the decision. Implementation will be made through the reference in the new National Table of frequency allocations which should be adopted at the latest before the end of December 2002

Country	Implemented	Remarks
Ireland	See remarks	It has been entered into the Table of frequency allocations

Country	Implemented	Remarks
Bulgaria	Under study	
Cyprus	Under study	It has not decided yet whether this band will be used for FWA and /or FS systems
Finland	Under study	Under general study until WRC-2003

Country	Implemented	Remarks
Germany	No	Still under study with regard to the use of the conditional band
Moldova	No	
Portugal	No	For the time being Portugal does not intend to adopt this Decision in view of current plans to extend the spectrum available for FWA/WLL
